THE **BEST**
INVESTMENT
IS IN YOUR
POWER

WHY HYPERTHERM POWERMAX?

Powermax is the world's most versatile family of portable plasma cutters, delivering maximum productivity and unmatched reliability. With the industry's most extensive handheld and automated cutting, marking, and gouging capabilities, you can confidently tackle any job with superior cut quality and minimized secondary operations – at a lower total cost of ownership. Easy to use. Versatile. Reliable. **You're worth the investment.**

INVEST IN POWERMAX AND REDEEM YOUR FREE PACKAGE NOW

For a limited time, when you buy a Powermax, you can redeem a consumable/accessories promo package valued from \$300 to \$1,000, depending on the system purchased. The free package may include a single-piece consumable cartridge with up to five times longer consumable life than competitors, a cartridge reader, a torch sheath, a dust cover, and more. Don't miss out on this incredible value! It's our way of showing gratitude to our customers this holiday season.
