

CO2 Driver

Madison, WI

Ensure the correct, timely, and safe delivery and sale of CO2 cylinders and other MWSCO products to customers. Represent the company in a professional manner while interfacing with customers on product, delivery, pricing or related issues.

Primary Duties:

- Gather and coordinate customer invoices, order requests, telephone and/or email messages regarding product delivery and route sales requirements.
- Load products into vehicles efficiently and safely.
- Deliver products to customers and/or stock warehouses while abiding by load safety, DOT, TSA and general safe driving guidelines.
- Provide feedback to the store manager regarding customer concerns or problems with pricing, quality, credit or if there is a need for additional follow-up.
- Complete daily pick-up and drop off of cylinder products from the customer.
- Ensure accuracy of cylinder exchange and hard goods pricing.

Position Requirements:

- Class B CDL and a history of safe driving exhibited by state MVR.
- Regularly required to lift up to 100 lbs and move products or materials weighing 100+ lbs with the assistance of material handling equipment.
- Ability to go up and down stairs frequently.
- Ability to be on call and compliant with DOT guidelines, per customer needs.
